Malaysia BIM DAY 2026

Exhibition

Be part of Malaysia BIM DAY 2026, the 7th edition of Malaysia's premier platform for Building Information Modelling (BIM) and digital construction innovation.

Organized by CIDB Malaysia in collaboration with Perbadanan Putrajaya (PPJ), this landmark event will feature a dedicated exhibition and live demonstration showcase, presenting the latest BIM technologies, digital construction solutions, innovative products, and professional services for the built environment sector.

Designed for industry players, technology providers, government agencies, developers, consultants, contractors, academia, and construction professionals, the exhibition offers a strategic platform for organizations to:

Showcase innovations to a highly targeted construction industry audience

Engage directly with key decision-makers, project owners, and potential business partners

Promote products, services, platforms, and digital solutions to relevant industry stakeholders

Strengthen brand visibility through association with CIDB Malaysia and PPJ

Support Malaysia's agenda for digital construction, productivity, sustainability, and smart city development

Join us at Malaysia BIM Day 2026!

where innovation meets opportunity, and where your brand connects directly with the people shaping the future of Malaysia's construction industry.
